*“Wanna Suck My Clean, Li’l Cunny?”*

**DESTINY**

Can you believe it—I didn't start shaving my pussy until only three weeks ago! I liked having a little bush down there. I mean, I kept it trimmed and all, but it was still hair.

But when I decided to try modeling, I knew the hair had to go. Because I know that most porn fans like a smooth pussy. And since I shaved it, I've gotten into the shaved lifestyle. I had my "smoothie" sucked just the other night by a cute guy I met at the mall. We hung out a couple of times and then hooked up at his place. We were kissing and I looked down and watched his finger sliding into my tight, little shiny slit. Then he took his finger out and it had all my juice on it and he fed it to me. He kept his finger up at my mouth while he slid down to my pussy and sucked it. Wow, I learned a lesson all right! It's much more exciting to have your cunny lapped when it has no hair! I'll keep it shaved for a long time, I think.

*I Love His Big Dick In My Ass!*

**DARIA & TIM**

I never thought I would find such a gigantic cock in my life, but I did! The moment I saw Tim's bulging in his shorts, I wondered if I could take it. But though he looks like a tough guy, he can be sweet, and he took his time teaching me how to enjoy his big thing!

The other day we had such fun in bed. He played with my tits and then he got me sucking on his meat. It stretched my face and it tasted so salty on the tip! He fucked my pussy for a while but then I wanted it in my ass, since he taught me real well how to take it there. Oh, he slid his prick in so deep, it stretched me and I felt so turned on! I made so much noise, I hope the neighbors didn't hear.

I love to get on my knees and suck him to the finish. I think being on my knees with a cock in my mouth is the happiest thing I can do!

**club***xcell*  
GET US ON YOUR CELLPHONE AT  
**CLUBXCELL.COM**

The photographer's name was Foster, and he was an older man, and the photos taken in his studio that day were for a catalog of inexpensive fashions for girls between 18 and 21; but things got out of hand when the chemistry clicked between Halie & Sindee after the shoot was over. Foster was putting away his cameras when he noticed the girls weren't getting ready to go. In fact, they were getting ready to CUM!

Amazing, the way young girls are these days, Foster thought. Slutty at the drop of a hat! They stripped off quickly and went at it right in his studio as if he wasn't there. Then again, that meant they didn't care what he did, so he stood off to the side in the shadows and rubbed himself through his pants.

He hadn't been able to get their names straight, but it didn't really matter as he watched their tongues working over each other's pussy. When one of them kneeled on the floor to lick the other, he was tempted to get in there and suggest a little doggie-style, but he didn't know how they'd react. So he just contented himself with the show, watching them slurp tit and lap clit, glad at least that he had a job at his age that brought him in regular contact with young, fresh stuff. Although the way these two eighteeners brought out a dildo from one of their purses and used it deep and hard, he didn't know if the word "fresh" exactly applied to them anymore!

*She's The Meat In Their  
Double-Penetration Sandwich!*

# SHERI, RICK & RON

**W**ow, when it came to cock challenges, Sheri was up for anything! See, she went hog-wild the night of her eighteenth birthday. Rick and Ron were two guys in the restaurant where Sheri was celebrating the big One-Eight with her friends, and when the two studs learned that she was rarin' to ride something like the "Rick and Ron Express," as they liked to joke about themselves, well, they didn't waste time taking her to a cozy place to get undressed and stuffed with cock from end to end.

She fuckin' inhaled their dicks, but that wasn't all. Sure, blowjobs were great, but she wanted to be the meat in their sleaze sandwich, feeling fingers cramming her cooze while her mouth was bursting to the lips with dong. She figured she might as well get as much experience under her "belt," so to speak, at once, and so she clamped her feet on Rick's thighs while she let him plow her asshole as she sucked off Ron. Even as gonzo horny as they were, the lads were a little hesitant about suggesting a double-penetration, but Sheri had studied up on the subject on the Internet and she was ready for her first DP. But although her butt and pussy got reamed at the same time, she made them save their loads for her mouth. After all, every birthday girl likes frosting!

# LEARNING TO LOVE HIS LOAD

By Amber B.

I've been seeing a guy named Jason at college, he's a junior and two years ahead of me, and he's really fun. We started fooling around quickly after we met, and it's been great. I like to fuck and suck like a girl my age (18 and seven months) should, I mean I like to do it a lot, just like guys do. It was all bullshit myth that girls aren't as horny as guys, as we've learned in Introduction to Gender Studies.

So anyway, living in a coed dorm makes it easy for Jason and me to screw around plenty, and I love to be on my knees especially when he's holding my ass and giving it to me doggie-style. I hold up a little mirror in front of my face, like a rear view in a car, and watch Jason do me that way.

But then the other night he squirted his goo on my ass! I wasn't prepared for that and got a little upset, but Jason was more upset than I was, seeing how grossed out I was. We didn't communicate enough, I guess, and I ended up realizing he didn't know about my feelings about cum on the body. He had always pulled out and cum in a tissue, which I'd asked him to do without explaining why.

You see, my girlfriends and I at college watch porn, online mostly, which is hot and fun...but one thing I always thought was a little gross was when guys would unload right on girls.

I really, really like Jason, though, so the next time we were messing around, I thought I would stop being so close-minded and see if I could enjoy the feeling of his cream plopping on my body. Maybe I was so shocked the first time he goosed me because it was too unexpected when I was in the doggie position...and I figured I might like it better if I was on my back.

So we were really going at it the other day, his tongue was deep in my mouth and his cock was banging my pussy so good. The bed was squeaking and my dorm room just smelled of us having

sex! I liked feeling Jason's chest against my bouncy boobs, all sweaty and strong, and I squeezed my fingers on his ass as he fucked me faster and harder.

His cock felt so strong and long in my pussy, and my nipples were so stiff. There's nothing like feeling a guy hold you tight like that, fucking you hard. Yes, it's basically what they call the missionary position, but I like it.

But then it got a little too sweaty and Jason lifted himself up, pulling my legs up too so that my feet rested on his shoulders. He looked so sexy fucking me that way, pulling my pussy deep on his dick. I loved his balls slapping against where my pussy meets my butt (I think they call it the "taint"), but then he started moving slower, plowing my cunny back and forth while I reached down to play with my clit.

"Can we cum at the same time, Jason? I really want that," I said, in a soft little voice.

"Yes, I want that too, Amber. Let's go for it."

"And Jason...let's try it again. With you...gooning me, I mean. Shoot on my tummy this time?"

"Really, babe?"

"Really!" I guess if you like a guy, you'll try new things for him.

He held me by the ankles and fucked me steady and sure. We

locked eyes and I rubbed my clit in rhythm to his moves. The sheets were so wet underneath me, I could hear other students out in the hall through the door, and I wondered if they could hear the squeak of my bed. But I didn't care...

Jason fucked me faster and I rubbed myself faster too. "Babe...I can't hold it much more!"

"I'm close too, Jason!"

My finger was almost whirling on my clit, my whole body was tense as I got closer and closer, and then suddenly I started to cum. I didn't have to touch my clit anymore. I grabbed the pillow and held it over my mouth to cover my loud cry. "Ohhhhhh Jason—!"

I was still cumming as he pulled out and sprayed big bursts of cum into the air and down on my tummy. I had never seen Jason cum so hard. It was good feeling the cream now...good, that is, because we'd cum together. It seemed like a good finish, and not just for him—for both of us! Like his cream belonged to me too.

I'm pretty sure we'll be trying it again doggie-style sometime soon!

*Self-Pussy Pleaser!*

**TEAGAN SUMMERS**

30136

Teagan Summers is a cute little porno vixen who's been making her mark on the scene with big cocks jamming her mouth and slamming her sugar pot. Hailing from Victorville, California, this naughty number has demonstrated in countless clips that she lives to throat and bang thick shafts. At 5'3", 121 lbs., and 32B-24-33, she's perfect when the script calls for an eager sex bunny who's up for getting reamed and creamed by just about any good-looking stud who walks by. When we were researching her career, we saw her blowing a pool boy—hell, he never even made it to the pool before she was slurping his ball sac into her mouth with a look of horny glee in her eyes. Then the next clip we saw showed her putting aside her homework to take the humongous prick of her study partner into her lips, a raunchy rod which she soon rode with the kind of cowgirl skill that only comes from lots of practice. Here for us she seems waylaid from some original purpose in a kitchen, her lustier side demanding that she plow her snatch with a candy cane vibrator! Maybe Teagan Summers is a girl ruled by her own pussy. Well, the more we stare, the more we're getting ruled by it ourselves!

# ASHLEY JENSEN

# SKIRTING DANGER

Who's the blonde flirt with the paisley plaid skirt and the pierced tongue? That's Ashley, a cum-thirsty cutie out to prove she's no prude by bouncing up and down on Jules' junk and splattering her face with his man-milk. Yep, this spunk-riddled delight is a Slut Puppy alright!

# LEXI BELLE ROLLER HOLE

Let's just say, for argument's sake, you're on a step-ladder in a porn storage warehouse, when out of nowhere a bubbly, roller-skating slut with a tight ass and a pretty smile skates over to your schlong and sucks you off. Then she lets you fuck her in every conceivable position before crank-yanking herself a mouthful of fun – would that qualify her as a Slut Puppy? [Answer: YES.]

## ALLYSSA HALL MAN'S BEST FRIEND

Allyssa always greets her man with a smile on her face. Then she hops down on her knees and sucks his cock. Today this little Slut Puppy even wears her collar like a good girl! But make no mistake, she's naughty and in need of something, for sure. After inhaling some dick and getting her tonsils tickled, Allyssa stops just short of lock-jaw before giving her mouth a break and giving her tight pussy one hell of a ramming. That a girl!

# DAKODA BROOKES STRAY CAT BLUES

Dakoda looks like a dick-starved damsel just dying to eat some man-meat. Lucky for her, a couple of dirty guys came 'round the neighborhood looking for trouble. It only figured that when Dakoda let her asshole get fingered, some sick sphincter-stretching was "cumming" up! This young tramp loves the taste of her own ass-juice as the fellas do the humpty-hump inside her rumpy-rump!

## **KAGNEY LINN KARTER** **KEEP IT GREASY SO IT'LL GO IN EASY**

The way Kagney is oiling herself up, you'd think she was sunbathing by the pool. Instead she's inside the living room with the shades drawn — sounds shady, alright! By the time Ben English notices, Kagney's greased ass and slippery tits are ready for action. Bent over and spread open, young Kagney gets fucked fast and furious — and cum-coated on her smiling face

# ANDI ANDERSON

# WHAT HAPPENED TO OUR GIRL?

Andi used to be a good schoolgirl who paid attention, respected others, and got good grades. Nowadays the only thing she excels at is fucking older guys while cutting class. She still wears her cute little uniform, but Andi's idea of studying astrology has nothing to do with a planetarium or a textbook, and more to do with a bottle of cheap whisky and some random unprotected interracial anal sex. Oh well, girls will be girls!

# GIA & DENNIS

27324

Dennis had gone on vacation to Jamaica awhile back, and he had such a good time scoring with the chicks down there that his luck continued when he got back to the States. Case in point was Gia, a babe he met at the bar where he worked. She was really horny for him, probably because he gave those stud vibes he'd developed on his vacation. He invited her to hang out while he closed the bar down at the end of the evening, hoping that maybe he'd get some action. Soon enough she had her hand on his prick and was sucking away. Gia had a good grip both in her fist and her mouth, but that was nothing like the tightness of her pussy, which clamped down on his boner and rode him fast and hard. Even when he was fucking her from behind while they were standing up, that snatch had a vise-like hold on his pork. And then her asshole was even tighter, which made sense since assholes usually are! The only thing Dennis didn't dig was the silly gold cap she wore, it was some kind of retro thing from the '70s that she'd picked up earlier in the evening from one of the vendors outside the bar. But what the hell! How could a guy complain about a girl as tight as Gia?

***“Shower Us With Your Cum!”***

# **KESSY & MIA**

Come on, let's take a fantasy vacation together! We're on a beautiful island and you are there, too, with your hot cock getting ready to fuck us! But we don't want you to fuck us right away. We want to give you a show first! Don't our bodies drive you crazy?

Watch us suck on our titties! Our pussies are so wet inside—can you hear the squish when our toys go in? We love to sit on each other's face. We smell so horny down there! Meanwhile, we hope you are stroking that pole of yours! It's drooling so much!! Stroke it slow as you watch us kiss and lick. Our pussies taste so good, they are so pink and sweet! Wouldn't you like to put your face in here, too? But no, just watch and stroke!

We tell you what. Cum on the pages! Do that nasty thing for us! Put the magazine on the table and stand over us with your cock! Imagine the breeze on the island and hear our bodies rubbing together and tug out your load of big messy cream! Make it on the page! Oh, didn't that feel good? Let the page dry, and come back tomorrow for more vacation fun!

*This Teen Is A Total Tramp!*

**BIANCA & STEVE**

**A**s young as she was, Bianca knew that whenever a girl washes any kind of vehicle for a man, she's going to tempt his cock into coming out of his trousers and filling her face and stuffing her slit. So Bianca was ready when her boyfriend Steve told her to put aside the sponge. He pulled down her tights and licked and fingered her snug, little pussy, then he got her down on her knees just the way he liked and stuffed her face with his big rod. Bianca blew him so damn deep, and she really had him where she wanted him when he lay back to enjoy her mouth skills. But the best was when he jammed his johnson not just into her drenched box but powered his way deep into her butt, that tight, little, dirty teen butt that he said he always liked to see shaking around town in the days when she was only a fantasy of his, before he finally made her his. Bianca rode him and moaned and squealed and smelled like a fucking alley cat, it was so nasty and great, and then she took his load like a whore who did the job for kicks, not bucks. She'd never forget the sweet sound of his jizz plopping onto her trampy tongue!

***"Feed All My Dirty Fucking Holes!"***

# **BELLA, OLIVER & SEBASTIAN**

**O**liver and Sebastian knew they hit the jackpot when they picked up Bella at the club. They all went out to breakfast and then headed to her place. She was a trust-fund brat who skipped college to party, and she had more money than she knew what to do with. But she knew what to do with dick. She liked servings of cock two at a time, and Oliver and Sebastian filled the bill.

She took prick in her mouth and tool in her pussy at the same time and moaned and slurped and writhed. The guys couldn't believe how hot her snatch and asshole were, and tight as all hell. They licked her nasty holes while she throatied their inches, bathing their hard-pounding pork in saliva. "Give me the dirty meat!" she kept saying.

The double-penetration was a dream. She took them in her pussy and bung like a \$3 whore willing to do anything. Can money turn young chicks into complete fucking wild 'hos? Bella seemed to prove that it could!
